Dato' Sri Kazali bin Ahmad
Director General of Customs

"Implementation of GST in Malaysia should not be viewed in isolation. GST in Malaysia is implemented in a package. To offset the regressive impact of a broader taxation base on low-income, the Government has proposed zero-rating on basic food and exempting the essential sectors from GST. Moreover, tax packages and non-tax packages are also being introduced to lessen the impact"

Interview with Media, 25 October 2013

GST is Happening. Be Prepared Now!

GST is an indirect tax that may affect all inputs and outputs of a business organisation and this tax will replace the existing sales and services tax regime. To ensure you are GST ready, a coordinated effort within the business organisation is essential. It is just not another tax issue to be left only with the Finance and Accounts Department. Rather, it is a "crossfunctional" issue that can affect the entire business structure and hence require input from all key business units.

CTIM is pleased to present to our members a 6-day modular course with the cooperation and support of the Royal Malaysian Customs Department. A 1-day examination will be conducted after the courses.

Attendance to all sessions is compulsory. The Royal Malaysian Customs Department will only issue a Certificate of Attendance to those participants who attend all sessions, sit for and pass the examination.
