HIGHLIGHTS

GST is an indirect tax that may affect all inputs and outputs of a business organisation and this tax will replace the existing sales and services tax regime. To ensure you are GST ready, a coordinated effort within the business organisation is essential. It is just another tax issue to be left only with the Finance and Accounts Department. Rather, it is a "crossfunctional" issue that can affect the entire business structure and hence require input from all key business units.

CTIM is pleased to present out members a 6-day modular course with the cooperation and support of Royal Malaysian Customs Department. A 1-day examination will be conducted after the course. Attendance to all sessions is compulsory. The Royal Malaysian Customs Department will only issue a certificate to those participants who attend all sessions and sit for the examination.
