

# Learn to develop, build upon and/or appreciate the importance of the Capital Statement in tax audits

**(Re-Run Session)**

**Date** : 16 October 2019  
**Venue** : Sheraton Imperial Hotel, Kuala Lumpur  
**Time** : 9:00 am – 5:00 pm  
**Event Code** : 19WS/045

## Course Objective:

To be able to generate a capital statement that correctly reflects an individual's net worth at any point of time.

## Synopsis:

The speaker who is a retired Senior IRB officer will discuss the development of capital statements in relation to your actual net worth at any point of time. Every individual should understand this subject matter for the following reasons:

- Be prepared at all times for tax audits on tax submissions. The IRB can select your tax return at any time based on several parameters using artificial intelligence on various sources of data inputs.
- Assisting your preparation of financial budgets and planning for the future.
- Determining the requirement for saving more or less for your retirement planning.

## Course Outline:

1. 7 main components of a capital statement
2. Basic principles:  $\text{Income} = \text{Expenditure} + \text{Saving}$
3. Enforcement tool
4. Capital statement template
5. Other indirect methods of proof
6. Legal implications
