### Objective

To be able to generate a capital statement that correctly reflects an individual's net worth at any point of time.

### Synopsis

The speaker who is a retired Senior IRBM officer will discuss the development of capital statements in relation to your actual net worth at any point of time. Every individual should understand this subject matter for the following reason:

- Be prepared at all times for tax audits on tax submissions. The IRBM can select your tax return at any time based on several parameters using artificial intelligence on various sources of data inputs.
- Assisting your preparation of financial budgets and planning for the future.
- Determining the requirement for saving more or less for your retirement planning.

### Course Outline

- ▶ Using Capital Statement Method to prove unreported income.
- ▶ Evidence required in establishing opening net worth.
- ▶ 7 key elements in a capital statement.
- ▶ Non-deductible expenditures / Non-taxable receipts.
- ▶ Negating Non-taxable Sources of Funds.
- ▶ Attributing Net Worth Increases to Taxable Income.
