TECHNICAL ROUND TABLE DISCUSSION FOR MEMBERS - CALL FOR ISSUES

Due to popular demand from members, CTIM is considering to organize a round table discussion for members on technical matters in early October 2013 (tentatively scheduled for 8th October). The format of the discussion is informal and members are able to pose technical questions for comment by the panel of commentators drawn from the CTIM Technical Committee. Members will also have an opportunity to share their concerns on specific issues, while seeking clarification on matters that have been on their minds. However, issues or clarifications of an advisory or hypothetical nature will not be entertained.

Besides raising questions at the round table discussion, members are encouraged to raise issues for discussion in writing beforehand. These questions will be reviewed and, where appropriate, included for discussion.

Your issues, via email to technical@ctim.org.my should reach us not later than **26 August 2013**. Alternatively you may fax to the Institute at 03-2162 8990 or 2161 3207.
