HIGHLIGHTS

This evening talk on Section 153 guidelines for tax agents is designed for the benefit of current and future tax practitioners. The apparently limiting gates of the licensing procedures have brought some confusion and uncertainty. The slant of this dialogue is towards providing any clarification and direction that tax practitioners may require with regard to the guidelines and issues which they would like to be brought up to the relevant authorities. Representatives from the Inland Revenue Board and the Ministry of Finance will be present for your benefit to answer and clarify your doubts as best as possible.
