MEMBERS' TECHNICAL DIALOGUE -- GST FOCUS

Questions you have but not answered yet!

The CTIM Public Practice Committee (PPC) is organising the first members' technical dialogue for 2015. This Dialogue is a **half-day session** tentatively scheduled on **13 March 2015 (Friday morning)** and is opened to **CTIM members (ACTIM / FCTIM / CTP) only**.

The aim of the Dialogue is to give members the opportunity to raise general technical and public practice issues, with particular emphasis on **GST whereby Mr. Tan Sim Kiat**, Deputy Director of Customs from the Royal Malaysian Custom's GST Division, will be on the panel to answer burning questions on GST issues. The Dialogue will be conducted in an **interactive question and answer format** whereby the issues raised will also be addressed by a panel of experts from the **CTIM Technical Committees**.

Participating members are encouraged to raise issues for discussion in the hyperlinked [template provided](#) that should be submitted prior to the event for panel members to consider and provide proper responses.

Please note that this members' interactive technical dialogue is not a briefing session but a session whereby you may find the answers to the burning questions you have. Responses will not be provided to questions from non-participants.

Registration for the Dialogue will be on a first come first served basis. **Registration details including the venue, time schedule and registration fee will be provided at a later date via e-circular to members.**

Members may forward their issues by completing the hyperlinked [template provided](#) and submitting it via email to technical@ctim.org.my or may fax it to the Institute at 03-2162 8990 or 03-2161 3207. The issues should reach us not later than **23 February 2015**.
