- My collective SMEs' Tax and business issues with my in depth understanding of SMEs.
- My hands-on experiences gained through working as ACCCIM's representative to MOF and Customs GST and SST 2.0 Implementation and Technical Committee.
- To assist CTIM to act as the bridge between the Small and Medium Practitioners (SMP) and SMEs in order to be a boutique tax consulting firm to SMEs.

I am set to assist CTIM to increase its membership and to help our valued members to achieve more!

Alan Chung

Head of Indirect Tax
Grant Thornton Malaysia

I am active Fellow of CTIM seeking to be elected as a Council Member of CTIM.

Background

I am Senior Executive Director of Grant Thornton Malaysia with more than 20 years of experience in various areas of taxation. Prior to joining Grant Thornton Malaysia, I have honed my knowledge and experience with the “Big Four” accounting firms and served as the Head of Tax of a public-listed company. I have also been seconded to the Inland Revenue Board of Malaysia (IRBM) for the implementation of the self-assessment system and had the privilege to work alongside many officers who were later appointed to senior positions of the IRBM. Above all these, I have served a stint heading the Secretariat of the Malaysian Institute of Taxation, as CTIM was then known, between 2002 and 2004.

Experience and Qualifications

Present

- Fellow of CTIM
- Fellow of CPA of Australia
- Member of the Malaysian Institute of Accountants (Chartered Accountant)
- Member of CTIM's Technical Committee–Indirect Taxation
- Approved tax agent

Past

- Member of CTIM's Self-Assessment System Working Group
- Approved GST tax agent

I have a wealth of experience dealing with various government ministries, agencies and departments, and I have represented CTIM in many dialogues with the IRBM and the Royal Malaysian Customs Department.

My forte includes speaking and moderating in seminars and conferences, including CTIM's annual conferences and the Sin Chew Business Excellence Awards. Besides training, I am also the co-author of a book published by Wolters Kluwers Malaysia (previously known as CCH Malaysia).

Election for Council Member

I bring with me a long history with CTIM as I have intimate working experience with CTIM serving members when we were a young fledgling organisation with less than 2000 members. At the risk of being boastful, I was instrumental in setting up CTIM's first office outside of MIA and experienced CTIM's struggles and growing pains.

The current Secretariat has done well to advance CTIM to its current standing and I am ready to serve the members again as a Council Member. CTIM is ingrained in my professional life and I have the advantage of experiencing the original aspirations of CTIM, with knowledge of the virtues that we hold to attain them. My track record exemplifies the depth and potential that I can add to the Council and it is my firm belief that I can contribute more as Council Member to bring CTIM and the profession to even greater heights.

I strive to achieve these and humbly seek your support and vote. Thank you.
