TECHNICAL

CALL FOR INCOME TAX *TECHNICAL AND OPERATIONS* ISSUES

CTIM is going to have a dialogue with the Inland Revenue Board (IRB) in early April to discuss issues relating to technical and operational matters and to seek clarification from the authorities, where necessary. Towards this end, CTIM needs feedback from its members.

CTIM hopes that members will quickly forward, in writing, the challenges they face with regard to technical and operational matters as well as suggestions and comments for improvement, for consideration. The feedback will be reviewed by the Technical Committee of CTIM and, where appropriate, will be included in the Memorandum to be submitted to the IRB for discussion.

The feedback must have justification and supporting evidence, and where relevant, also quantify the impact to ensure sufficient depth to the feedback. Your feedback should reach us not later than **23 March 2012**. You may submit all proposals via email to kslim@ctim.org.my or kim@ctim.org.my. Alternatively you may fax to the Institute at 03-2162 8990 or 2161 3207.
