

CTIM -- RESOURCE CENTRE

Additional Resources Available at CTIM Resource Centre

CTIM has upgraded the technical resources available for the benefit the members. We have recently subscribed to a new online resource, **OECD Taxation i-Library**, which is an addition to the existing subscriptions to online Malaysian and Singapore Tax Cases, Malaysian Tax Treaties and Malaysian Revenue Legislation (all published by CCH), as well as Lawnet (published by National Printer of Malaysia).

Members only may **access the online resources** via the computer terminal at the Resource Centre of the Institute.

Below are brief descriptions of the online resources currently available to members.

- **OECD iLibrary** is one of the most comprehensive online resources on the world economy, society, education and environment. It contains publications and statistics published since 1998 by OECD (Organisation for Economic Cooperation and Development), International Energy Agency (IEA), Nuclear Energy Agency (NEA), OECD Development Centre, PISA (Programme for International Student Assessment), and International Transport Forum (ITF).

It has 6,200 e-book titles, 1,000 journal issues, 12,000 articles, 2700 working papers, 14,000 tables and graphs, 290 cross-searchable datasets.

Taxation theme is one of the 17 thematic collections of OECD iLibrary. It includes a broad range of taxation information, such as tax evasion, harmful tax practices, administration of tax policy, environmental taxes, tax standards setting and international comparable statistics, etc. OECD Taxation iLibrary has over 200 e-books, more than 100 issues and articles as well as over 75 datasets. Some of the contents are as follows:
