CONFERENCE ORGANISER

The Institute of Chartered Secretaries and Administrators (ICSA) is the leading recognised professional body for Chartered Secretaries and Administrators in the United Kingdom and throughout the world. Formed in 1891, the Institute today has 33,000 members worldwide and is represented in over 72 countries.

The Malaysian Institute of Chartered Secretaries and Administrators (MAICSA) was founded in 1959 as an affiliated body to ICSA. It is now one of the nine Divisions of ICSA worldwide, having achieved a Division status in 2001. Membership of the Institute is limited only to members and students of the Institute residing in Malaysia. At present the Institute has about 4,000 members (comprising Fellows, Associates) and Graduates, 2,000 students and 600 Affiliates. There are two classes of membership of the Institute, ie Fellows and Associates. All qualified members of the Institute are entitled to describe themselves as Chartered Secretaries and use the designatory letters, FCIS or ACIS as appropriate. Fellowship is the senior grade of membership. Another grade, Grad ICSA comprises those who have successfully completed the examinations but have not yet gained sufficient qualifying service for Associateship. MAICSA is also a founder member of the Corporate Secretaries International Association (CSIA). CSIA, a global organization, is dedicated to developing and growing the study and practice of corporate secretaryship to improve professional standards, the quality of governance practice and organizational performance. Its vision is to be "The Global Voice of Corporate Secretaries and Governance Professionals". In Malaysia, the FCIS and ACIS qualifications are recognised by the Government as equivalent to Honours degrees whilst the Grad ICSA is recognised as equivalent to a general degree. The Government has also gazetted MAICSA as a prescribed body under Section 235 (3) of the Companies Act 2016, which means that Associate and Fellow members of MAICSA can automatically act as company secretaries without having to apply for a licence from the Companies Commission of Malaysia (CCM). Members of the Institute with more than five years practical tax experience, either in the Government or private sector, are also eligible to apply to become tax agents under Section 153 (3) of Income Tax Act 1967.
