

Self-Declaration Mechanism For Tax Exemption

Self-Declaration Mechanism for Import Duty And/Or Sales Tax Exemption On Machinery, Equipment, Spare Parts, Consumables, Prime Movers and Container Trailers Through The Customs Duties (Exemption) Order 2013 and Sales Tax (Exemption) Order 2013:

Manufacturers in the Principal Customs Area (PCA), companies engaged in the hotel business and haulage operators can benefit from these facilities by claiming the exemption on import duty and/or sales tax on machinery, equipment, spare parts, consumables, prime movers and container trailers under these Orders through a self-declaration process.

Under this new self-declaration mechanism, a company is required to submit a confirmation letter issued by MIDA together with the list of machinery, equipment, spare parts, consumables, prime movers and container trailers to be imported or purchased to Customs for permission to claim the exemption. Companies would be able to obtain the permission within a period of two (2) weeks from the date of complete submission received by Customs.

Prior to the introduction of this new mechanism, an application to MIDA for import duty and/or sales tax exemption on machinery, equipment, spare parts, consumables, prime movers and container trailers under the provisions of Section 14(2) Custom Act 1967 and/or Section 10 Sales Tax Act 1972 would require a processing period of four (4) weeks from the date of complete information received.

The implementation of the Customs Duties (Exemption) Order 2013 and Sales Tax (Exemption) Order 2013 took effect on 2nd May 2014.

The key areas of the exemptions are:
