TAX CASE UPDATE

Real Property Gains Tax – Determination of date of disposal under conditional contracts, statute barred assessment and appellate intervention by the Court.

[Kenny Heights Development Sdn. Bhd. v Ketua Pengarah Hasil Dalam Negeri \(2014\) \(Court of Appeal\) \(Civil Appeal No: W-01-200-06/2014\)](#)

Date of Judgment: 11 March 2015

Facts

The case concerns 2 agreements (“the said agreements”) for the sale of land (“the subject land”) by Kenny Heights Development Sdn. Bhd (“KHD”) to Mycom Bhd, and Olympia Industries Bhd. (“OIB”) respectively, both of which were dated 14 August 2000. The said agreements were subject to “preconditions” which included obtaining necessary approvals by the Securities Commission and various other approvals from the relevant authorities. By Supplemental Agreements both dated 14 February 2003, the sale and purchase price was reduced. The preconditions had been satisfied by 27 April 2007. The notices “Notis Tahun Taksiran 2000” and “Notis Tahun Taksiran 2000 (Tambahan)”, both dated 31 December 2008 were issued in respect of the disposal of lands under the said agreements. KHD being dissatisfied with the assessments by the Ketua Pengarah Hasil Dalam Negeri (“KPHDN”), appealed to the Special Commissioners of Income Tax (“SCIT”).

Issues

Before the SCIT, the issues were

- (a) *whether there was any disposal of the subject land within the meaning of paragraph 16 of Sch. 2 of the [Real Property Gains Tax Act 1976](#), (“RPGT Act”) in YA 2000;*
- (b) *whether the disposal of the subject land is exempted under the RPGT (Exemption) (No.2) Order [P.U. (A) 146/2007] (“the said Order”) which exempted disposals after 31/3/2007 to 31/12/2009;*
- (c) *whether there were any chargeable gains in the year 2000 within the meaning of Sch. 3 of the RPGT Act.*

The SCIT held in favour of KHD and its deciding order made on 1 March 2013, set aside the determination by the KPHDN. The KPHDN appealed against the SCIT’s decision.

In the High Court, both parties raised the same issues. The High Court summed up the issues to one question:

Whether the disposals of land in the Land Acquisition Agreements are subject to the exception provided under Paragraph 16(a) and (b), Schedule 2 to Real Property Gains Tax Act 1976 (as amended by Finance Act 2006)?

The High Court allowed the appeal on 22 May 2014. Hence this appeal to the Court

The central issues were summed up by the Court of Appeal as

- (a) what are the disposal dates and consideration price of the said agreements (dated 14 August 2000) amended by the Supplemental Agreements (dated 14 February 2003);
- (b) whether KHD is exempted from RPGT on the disposal of the subject lands under the said Order [P.U. (A) 146/2007];
- (c) whether the Notice of Assessment dated 31 December 2008 is statute barred by virtue of S.15(1) of the RPGT Act.

Decision of Court of Appeal:

Appeal allowed. Decision of the High Court was set aside and the deciding order of the SCIT restored.

Summary of Grounds of Decision:

1. The operative words of paragraph 16 of Sch. 2 of the RPGT Act are “*unless the amount of the consideration depends on the value of the asset at the time when the condition is satisfied in which case the acquisition and disposal shall be regarded as taking place when the condition is satisfied.*” In this case, the conditions were satisfied by 27 April 2007 and by that date, the consideration price was not the original price set out in the said agreements, but the amended price set out in the Supplementary Agreements. “*In other words, the Notice of Assessment for YA 2000 dated 31 December 2008 was based upon a fiction.*”
2. By operation of paragraph 16, the date of disposal was 27 April 2007. Therefore KHD is clearly entitled to exemption under the said Order [P.U. (A) 146/2007] (providing exemption “in respect of any disposal of chargeable assets after 31 March 2007”) which came into force on 1 April 2007 and remained in force until 31 December 2009.
3. S.15(1) of the RPGT Act places a limitation of 5 years after the end of the YA to make an assessment or additional assessment, except in cases of any form of fraud or willful default. The 5-year limitation is applicable to assessments determined by the Court on an appeal or review and assessments on conditional contracts, even though the determination by the Court and the date by which the conditions were complied with are outside the control of the Inland Revenue Board (LHDN). Accordingly, the Notice of Assessment for YA 2000 dated 31 December 2008 is statute barred by virtue of S.15(1) of the RPGT Act.

4. Further finding of the Court of Appeal

Paragraph 23 of Sch. 5 of the Income Tax Act 1967 (“ITA”) provides that the decision of the SCIT is final. Appeal to the Court is allowed on a question of law and not any grievance. Paragraph 39 of Sch. 5 of the ITA is specific that *the High Court shall hear and determine any question of law arising from the case stated.*

After examining the case stated by the SCIT, the Court (of Appeal) is of the view that it “*shows a meticulous presentation of the facts, the evidence, the submissions, the relevant law and reasoning on the SCIT. It demonstrated a thorough appreciation and consideration of the facts. It does not betray ex facie any error on any question of law as to warrant appellate intervention.*”

On re-examining the Grounds of Judgment of the High Court, it was observed that the High

Court only “had a different view of paragraph 16 of Sch. 2 of the RPGT Act, but it failed to provide its reasoning for that different view. It also failed to demonstrate where the SCIT had erred on a question of law. Without doing so, the intervention by the High Court was without justification and was an interference with the decision of the SCIT.” The submission for the KPHDN before the Court had also “failed to demonstrate

- (a) where on the case stated, the SCIT had erred and
- (b) that the High Court had dealt with and corrected the errors.”

5. The Court is of the view that “the SCIT fully appreciated the nature and terms of approvals by the Securities Commission...and took into consideration” certain “essential facts” including the fact that the two subject agreements were essentially conditional agreements, and that listing of the new OIB and Mycom shares on Bursa Malaysia took place on 27 April 2007. The SCIT were “acutely aware” of the importance of their decision on whether the disposal of the subject lands took place on the date the subject agreements were signed (14 August 2000) or the date the new share listing took place (27 April 2007), “that being the date when the last remaining condition under the conditional agreements was fulfilled.”
6. “The findings of the SCIT were made upon a full appreciation of the facts. The findings of facts were not perverse to the evidence. There was no reason to interfere with its findings of fact. The SCIT addressed the correct questions of law. ”

Date of Judgment: 11th March 2015

GROUND OF JUDGMENT

[1] The Appellant, Kenny Heights Development Sdn. Bhd. ("KHD") appealed to this Court against the decision of the High Court made on 22/5/2014, to allow with costs of RM5,000.00 the appeal by the Respondent, Ketua Pengarah Hasil Dalam Negeri ("the KPHDN") against the deciding order of the Special Commissioners of Income Tax ("the SCIT") which set aside the determination by the KPHDN dated 1/3/2013.

Brief Facts

[2] The brief facts may be stated as follows:

- (a) This case concerns agreements both dated 14/8/2000 ("the S/P Agreements") for the sale by KHD of the subject lands in the respective agreements to Mycom Berhad and to Olympia Industries Berhad.
- (b) The S/P Agreements were subject to pre-conditions as follows:
 - i. Approval of the Securities Commission for the transfer of "consideration shares" to KHD;

- ii. Approval of the Securities Commission to list the consideration shares;
- iii. Approval of the Securities Commission for the acquisition of the lands according to the respective agreements;
- iv. Corporate approvals;
- v. Restructuring and Standstill Agreement becoming unconditional;
- vi. All approvals in connection with completion of the proposed restructuring scheme being obtained;
and
- vii. Such other approvals as required by third parties or the government, enforcement agency or any authority having jurisdiction over the sale of the said subject lands under the respective agreements.

- (c) By Supplemental Agreements both dated 14/2/2003, the sale and purchase price was reduced.
- (d) The pre-conditions having been satisfied by 27/4/2007, KHD submitted the notices "Notis Tahun Taksiran 2000" and "Notis Tahun Taksiran 2000 (Tambahan)", both dated 31/12/2008 to the KPHDN in respect of the disposal of the lands under the two agreements.
- (e) KHD being dissatisfied with the assessment by the KPHDN, appealed to the SCIT.

Issues Before the SCIT

[3] KHD's submissions before the SCIT put the issues before the SCIT as follows:

"(a) Whether there was any disposal of the subject land in YA 2000 and YA 2000 (additional) within the meaning of paragraph 16, Sch 2, Real Property Gains Tax Act 1976.

(b) *Whether the disposal of subject lands by KHD is exempted from Real Property Gains Tax under the RPGT [Exemption) (No. 2) Order 2007, PU(A) 146 dated 27/11/2007, which order exempted disposals after 31.3.2007 to 31.12.2009.*

(c) *Whether there were any chargeable gains in the year 2000 within the meaning of Section 3, RPGT Act 1976."*

[4] The submissions for the KPHDN before the SCIT set out the issues as follows:

(a) *"Sama ada tarikh pelupusan bagi lot no. 21759 hingga lot no. 21768 adalah dikira pada tarikh perjanjian ditandatangani pada 14/8/2000 atau dikira pada tarikh apabila pra-syarat ("conditions precedent") di dalam perjanjian dipenuhi di bawah Perenggan 16, Jadual (ACKHT) [sebelum pindaan 2/9/2006]; dan/atau*

(b) *Samada harga balasan ("consideration") bagi pelupusan lot no. 21759 hingga lot no. 21768 telah ditentukan*

pada tarikh perjanjian ditandatangani atau harga balasan hanya ditentukan apabila segala pra-syarat dipenuhi bagi tujuan taksiran di bawah ACKHT)[sebelum pindaan 2/9/2006]; dan

- (c) *Samada Notis Taksiran bertarikh 31/12/2008 adalah tertakluk kepada Akta Had Masa."*

[5] Per the case stated by the SCIT, the issues were:

- (a) *"Whether the disposal of the subject lands by KHD should be held as having taken place on the date of two (2) agreements namely –*

i. Land Acquisition Agreement dated 14/08/2000 between KHD and Mycom Berhad; and

ii. Land Acquisition Agreement dated 14/08/2000 between KHD and Olympia Industries Berhad,

were signed on 14/08/2000, or based on the date of the last condition being fulfilled upon listing on Bursa Malaysia on 27/4/2007; and

- (b) *Whether the date of disposal in the Land Acquisition Agreement dated 14/08/2000 between KHD and Mycom Berhad and the date of disposal in the Land Acquisition Agreement dated 14/08/2000 between KHD and Olympia Industries Berhad is subject to the exception provided in sub-paragraphs 16(a) and (b), Second Schedule, Real Property Gains Tax Act 1976 (Act 661)."*

Issues Before the High Court

[6] Both KHD and the KPHDN put the same issues to the High Court as they did before the SCIT.

[7] The High Court summed up the issues to one question:
"Samada pelupusan lot-lot tanah di dalam Perjanjian Mycom dan Perjanjian Olympia tertakluk kepada pengecualian di

bawah perenggan 16(a) dan (b) Jadual 2, Akta Cukai Keuntungan Harta Tanah 1976 (Akta 661)".

Issues Before this Court

[8] Before this Court, it was submitted for KHD that the issues were:

- (a) *Whether there was any disposal of the subject land in YA 2000 and YA 2000 (additional) within the meaning of paragraph 16, Sch 2, Real Property Gains Tax Act 1976;*
- (b) *Whether the disposal of subject lands by KHD is exempted from Real Property Gains Tax under the RPGT (Exemption) (No. 2) Order 2007, PU(A) 146 dated 27/3/2007, which order exempted disposals after 31/3/2007 to 31/12/2009;*
- (c) *Whether there were any chargeable gains in the year 2000 within the meaning of Section 3, RPGT Act 1976;*

(d) *Whether the assessments for YA 2000 raised on 31/12/2008 are statute barred.*

[9] The submissions for the KPHDN set out the issues as follows:

(a) *"Whether disposal date of lot no. 21759 to lot no. 21768 was on the date of the Agreement was signed on 14/8/2000 or on the date when the conditions precedents was satisfied under Paragraph 16, Schedule 2 of Real Property Gains Tax Act 1967 [before amendment 2/9/2009] ("RPGTA")]*

(b) *Whether consideration price for the disposal of lot no. 21759 to lot no. 21768 was determined when agreement was signed on 14/8/2000 or when all conditions precedents to the agreement was satisfied for the purpose of assessment under the RPGTA;*

(c) *Whether Notice of Assessment for YA 2000 dated 31/12/2008 is statute barred."*

Findings of This Court

[10] It is clear, thus, that the central issues at all times were:

- (a) what are the disposal dates and the consideration price of the Conditional Agreements dated 14/8/2000 subsequently amended by Supplemental Agreements dated 14/2/2003;
- (b) whether the Real Property Gains Tax (Exemption) (No. 2) Order 2007, PU(A) 146 dated 27/3/2007 applied to exempt the Appellant from real property gains tax; and
- (c) whether the Notice of Assessment for YA 2000 dated 31/12/2008 is statute barred by virtue of section 15(1) of the Act.

[11] The relevant provision applicable to Conditional Agreements is Paragraph 16 (a) and (b) of Schedule 2 of the Real Property Gains Tax Act 1976 Act 169 (hereafter "Paragraph 16" and "the Act" as applicable).

[12] Paragraph 16 reads as follows:

“Conditional Contracts

16. Where -

(a) a contract for the disposal of an asset is conditional;
and

(b) the condition is satisfied (by the exercise of a right
under an option or otherwise),

the acquisition and disposal of the asset shall be regarded as taking place at the time the contract was made, unless the amount of the consideration depends wholly or mainly on the value of the asset at the time when the condition is satisfied in which case the acquisition and disposal shall be regarded as taking place when the condition is satisfied."

[13] The operative words are "*unless the amount of the consideration depends wholly or mainly on the value of the asset at the time when the condition is satisfied in which case the acquisition and disposal shall be regarded as taking place when the condition is satisfied*". In direct language, the amount of consideration is the actual consideration as at

the time the conditions were satisfied, and the date of disposal is regarded as the date the conditions were satisfied. In this case, the amount of consideration at the time the conditions were satisfied by 27/4/2007 was no longer the consideration price set out in the S/P Agreements dated 14/8/2000, but the consideration as amended and set out in the Supplemental Agreements dated 14/2/2003. By the time the Notice of Assessment for YA 2000 dated 31/12/2008 was issued, the actual consideration price was the consideration price under the Supplemental Agreements. The price set out in the S/P Agreements had by then become history. In other words, the Notice of Assessment for YA 2000 dated 31/12/2008 was based upon a fiction. We have no doubt that the error would not have been made if the consideration price under the Supplemental Agreements had been higher than that set out in the S/P Agreements.

[14] Since by operation of Paragraph 16, the date of disposal was 27/4/2007, KHD is clearly entitled to the exemption under the Real Property Gains Tax (Exemption) (No. 2) Order 2007,

PU(A) 146 dated 27/3/2007 and gazetted 1/4/2001. The 2007 Order provides:

"Citation and commencement

1. (1) This order may be cited as Real Property Gains Tax (Exemption) (No. 2) Order 2007.

(2) This Order comes into operation on 1 April 2007.

Exemption

2. The Minister exempts any person from all provisions of the Act in respect of any disposal of chargeable assets after 31 March 2007."

[15] The exemption remained in force until 31/12/2009. KHD is therefore entitled to the exemption.

[16] The power of the Director-General of the LHDN to make additional assessments is contained in section 15(1) of the Act. The section provides:

"15. Additional assessments

(1) The Director-General, where in respect of any year of assessment it appears to him that no or no sufficient assessment has been made on a person chargeable with the tax, may within five years after the end of that year of assessment make on that person whatever assessment or additional assessment he considers to be appropriate.

(2) The Director-General, where it appears to him that a person chargeable with the tax has been guilty of any form of fraud or wilful default in connection with or in relation to the tax, may at any time make an assessment in respect of that person for the purpose of making good any loss of the tax attributable to the fraud or wilful default.

(3) Where in a year of assessment -

- (a) any assessment made under this Act or the Income Tax Act 1967 in respect of a person for

any year of assessment has been determined by the court on appeal or review; or

- (b) any exemption granted to any person under this Act has been withdrawn for failing to comply with any condition imposed in granting such exemption,

the Director General may, in the first mentioned year of assessment or within five years after its expiration make an assessment in respect of that person for any year of assessment for the purpose of giving effect to the determination or withdrawal, as the case may be.

(4) ..."

[17] Thus, excepting only the case of any form of fraud or wilful default, there is a limitation of 5 years after the end of that year of assessment to make an additional assessment. The 5-year limitation applies to assessments determined by the court on an appeal or review, even though when the

determination by the court is made is outside the control of the LHDN. Therefore, although the date by which the conditions were complied with is outside the control of the LHDN and, for that matter, the 5-year limitation would similarly remain applicable. In our view, section 15 of the Act warrants review, but until that is done and amendments made, the law as it stands places a 5-year limitation, and accordingly the assessment by Notice of Assessment for YA 2000 dated 31/12/2008 and served on 2/2/2009 is statute barred by virtue of section 15(1) of the Act.

Further Findings of this Court

[18] The appeal before this Court is an appeal from the decision of the High Court which allowed the KPHDN's appeal against the decision of the SCIT in the form of a deciding order.

[19] We examined the Grounds of Judgement of the High Court.

We found that:

- (a) Despite at paragraphs [6], [7] and other parts of the Grounds of Judgement stating the Real Property Gains

Tax Act 1976 as Act 661, which happens to be the Finance Act 2006, instead of as Act 169, the High Court appreciated the facts above and stated that the issue for determination by it was whether the exemption under Paragraph 16 (b) of Schedule 2, of the Real Property Gains Tax Act 1976 applied.

- (b) At paragraph [8] of its Grounds of Judgment, the High Court appreciated the meaning of Paragraph 16 that if the conditions of the conditional contract was not performed, the contract cannot be said to have been performed, and there was no acquisition or disposal. At paragraph [9] of its Grounds of Judgment, the High Court stated:

"[9] Namun begitu, perenggan 16 Jadual 2 itu juga jelas menyatakan bahawa pelupusan itu hendaklah dikira sebagai berlaku pada masa kontrak itu dibuat kecuali jika amaun balasannya bergantung kepada nilai aset pada masa syarat itu dipenuhi."

- (c) At paragraph [10] of the Grounds of Judgment, the High Court stated:

“[10] Pihak responden menyatakan bahawa tarikh pelupusan ialah pada tarikh syarat dipenuhi. Namun, dengan hormatnya, penelitian saya kepada klausa 2.1 kedua-dua perjanjian itu yang berkaitan dengan prasyarat tidak menyatakan bahawa SC atau mana-mana pihak yang lain berhak menentukan/mengubah/meminda nilai harga balasan bagi hartanah tersebut. Kelulusan daripada SC seperti yang dihujahkan oleh perayu, hanya terhad kepada kelulusan untuk pindahmilik saham, penyenaiaan saham dan pemilikan hartanah berdasarkan perjanjian tersebut.”

- (d) We note that having stated KPHDN's submission, the paragraph failed to address the submission but proceeded to hold that clause 2.1 of both agreements did not authorise the Securities Commission or any

relevant authority to amend or change the "*nilai harga balasan*", i.e. the sale price of the said subject lands.

- (e) Paragraph [11] of the Grounds of Judgment of the High Court showed that it considered that the sale and purchase price had been fixed by the parties at clause 1.1 of the respective agreements, and agreed with the KPHDN herein as follows:

"... Perayu membangkitkan taksiran di bawah peruntukan Akta 661 berdasarkan nilai balasan bagi pelupusan dan bukannya bergantung kepada berapa banyak/jumlah unit saham bagi nilai balasan tersebut. Oleh yang demikian, saya bersetuju dengan perayu bahawa kelulusan SC untuk jumlah unit saham adalah tidak relevan kerana harga hartanah yang dilupuskan telahpun dipersetujui oleh kedua-dua belah pihak pada masa perjanjian dibuat."

- (f) Though the last sentence above began with the words "*Oleh yang demikian*", we note it merely set out that the High Court agreed with the Appellant before it. It failed to demonstrate why it thought KHD was correct. It failed to address the fact that the consideration stated in clause 1.1 of the respective agreements executed on 14th August 2000 had been amended by clause 2 of the respective supplemental agreements executed on 14th February 2003.
- (g) Paragraph [12] referred to the submission that the original sale and purchase price had been amended, but held no evidence was adduced to prove that the Securities Commission was influenced by the reduction of the sale and purchase price, and relying on the bundle of documents of KPHDN before the High Court, the approval of the Securities Commission concerns only the number of shares, transfer of shares and the listing of the shares.

- (h) The reasoning failed to appreciate that the number of shares and the value of the shares as determined by the Securities Commission, multiplied together would arrive at the price paid. Although the Securities Commission does not fix the sale and purchase price of the subject lands, it will not approve if the sale and purchase price is too high, or the number of consideration shares, in light of the value of the shares determined as fair by the Securities Commission was too many, resulting in the public listed companies paying too much for the acquisition.

- (i) The Supplemental Agreements were entered into 2 years 4 months after the two agreements were entered into on 14/8/2000. Final approvals were obtained on 27/4/2007. It is in our minds inconceivable:
 - i. that the parties seeking approval from the Securities Commission did not submit the improved pricing for the public listed purchasers to the Securities Commission; or

- ii. that the Securities Commission acted to approve the sale and purchase by payment of consideration shares on the original price that is less favourable to the public listed companies.
- (j) Paragraph 13 of the Grounds of Judgment repeats the reasoning we have addressed above. It repeated the error:

"... Sebagaimana yang saya sebut di atas tadi, perenggan 16 itu jelas menunjukkan pelupusan ialah tarikh semasa kontrak dibuat memandangkan nilai balasan untuk pelupusan itu telahpun ditentukan."

[20] We observe that apart from the title *"Kes dinyatakan oleh pesuruhjaya khas cukai pendapatan bagi pendapat Mahkamah Tinggi menurut perenggan 34 jadual 5 akta cukai pendapatan 1967 rayuan no. PKCP (R) 60/2009"*, no further reference was made by the High Court to the SCIT and its case stated even though Schedule 5 of the Income Tax Act

1967 (Act 53) provides specifically that the decision of the SCIT is final. Paragraph 23 provides:

"23. As soon as may be after completing the hearing of an appeal, the Special Commissioners shall give their decision on the appeal in the form of an order which shall be known as a deciding order and which, subject to this Schedule, shall be final."

[21] Paragraphs 34, 37 to 39 of Schedule 5 provides for appeals against the deciding order of the SCIT as follows:

"34. Either party to proceedings before the Special Commissioners may appeal on a question of law against a deciding order made in those proceedings (including a deciding order made pursuant to subparagraph 26(b) or (c)) by requiring the Special Commissioners to state a case for the opinion of the High Court and by paying to the Clerk at the time of making the requisition such fee as may be prescribed

from time to time by the Minister in respect of each deciding order against which he seeks to appeal.

.....

37. A case stated under paragraph 34—

(a) shall set forth the facts as found by the Special Commissioners, the deciding order and the grounds of their decision; and

(b) shall be signed by the Special Commissioners who heard the appeal (or, if any of them are incapacitated from signing by reason of death, illness, absence or any other cause, by such of them as are able to do so).

37A. (1) The appellant shall pay to the Clerk the cost of preparing the case stated at such rate as may be prescribed from time to time by the Minister.

(2) The Special Commissioners may at any time before a case stated is transmitted to the High

Court require the appellant to deposit with the Clerk a sum which in their opinion will cover the cost of preparing copies of the case stated for the High Court and the parties, and where they do so they may refrain from stating the case or prevent the case stated from being transmitted to the High Court unless the required deposit is made.

(3) Any party to an appeal may obtain from the Clerk extra copies of the case stated on payment of such fee as may be prescribed from time to time by the Minister.

38. When a case has been stated and signed in accordance with paragraph 37, the Clerk shall transmit it to the High Court and serve a copy of it on the parties to the proceedings in respect of which it is stated.

39. The High Court shall hear and determine any question of law arising on a case stated under

paragraph 34 and may in accordance with its determination thereof—

(a) order the assessment to which the case relates to be confirmed, discharged or amended;

(b) remit the case to the Special Commissioners with the opinion of the court thereon; or

(c) make such other order as it thinks just and appropriate.

[22] The appeal to the High Court is upon a case stated by the SCIT. Paragraph 39 of Schedule 5 is specific that the High Court is limited to questions of law arising from the case stated. The KPHDN is, as other parties are, bound by Paragraph 39. Examination of the case stated by the SCIT shows a meticulous presentation of the facts, the evidence, the submissions, the relevant law and reasoning on the SCIT. It demonstrated a thorough appreciation and consideration of the facts. It does not betray *ex facie* any

error on any question of law as to warrant appellate intervention.

[23] Re-examining the Grounds of Judgment of the High Court, we cannot but observe the High Court only had a different view of Paragraph 16. We have dealt with that view and how it was arrived at earlier above. But apart from the different view which the High Court held and sought to explain in its Grounds of Judgment, the Grounds of Judgment clearly did not demonstrate with reasoning any error on the part of the SCIT in the case stated.

[24] We make the general observation that courts, acting in accordance with the law, are at all times bound by the legislation placing jurisdiction and authority in specialised bodies such as the SCIT. The legislation specified that the deciding order of the SCIT is final and allowed appeals to the Court on question of law and not any grievance. It underlines, within the SCIT's jurisdiction, its authority, and prevents the Courts being buried under an avalanche of tax

appeals by parties unhappy with the determination of the KPHDN and the SCIT.

[25] Courts must also bear in mind the SCIT's specialisation. Dealing with terms and practises of the business and the business community enables them to have a special insight, understanding and appreciation of the evidence and facts, to make the findings drawn from those evidence and facts. While a finding of fact often touches upon the law, the determining factor in the finding is their special insight and appreciation of the facts. Hence, unless it is demonstrated that SCIT had erred on a question of law, resulting in a manifest error in the deciding order, the court cannot intervene, as it would amount to interference contrary to the intent of legislation setting up and empowering the SCIT. [See **Lower Perak Housing Cooperative Society v DGIR, [1994] 2 MLJ 713 SC**].

[26] As our observations demonstrate, the High Court had a different view of Paragraph 16 but it failed to provide its reasoning for that different view. It also failed to

demonstrate where the SCIT had erred on a question of law. Without doing so, the intervention by the High Court was without justification and was an interference with the decision of the SCIT.

[27] Having set out the introduction and the issues for determination, the submissions for KPHDN before this Court went on to set out the facts of the case, the KPH's contentions, duty of the appellate court, misdirection in law and facts by the SCIT, the Grounds of Judgment of the High Court and KPHDN's submission on the issue for determination. The submissions for the KPHDN failed to demonstrate,

- (a) where on the case stated, the SCIT had erred; and
- (b) that the High Court had dealt with and corrected the errors.

[28] The submissions for the KPHDN before this Court, essentially repeating the arguments before the High Court, were therefore nothing more than expression of disagreement with the decision of the SCIT. The

submissions on interpretation of Paragraph 16 failed to demonstrate that the SCIT had erred in its application of Paragraph 16.

[29] We examined further the case stated by the SCIT. We found the reasoning at paragraph 10 was systematic and meticulous. Nothing in it contains the element of absurdity [see **DYTM Tengku Idris Shah Ibni Sultan Salahuddin Abdul Aziz Shah v Dikim Holdings Sdn Bhd & Another** [2002] 2 CLJ 57 FC]. It was well reasoned. It did not contain in it anything that is *ex facie* bad in law, or that the finding is such that no person acting judicially and properly instructed as to the relevant law could have come to the determination. [See **Lower Perak Housing Cooperative Society v DGIR (supra)**]. We could find no error as would demand appellate intervention by the High Court.

[30] It is superfluous to observe that Paragraph 16 says that when conditions of a conditional contract is satisfied, the acquisition and disposal of the asset shall be deemed to have taken place at the time the conditional contract was

made, unless the amount of consideration depends wholly or mainly on the value of the asset when the condition was satisfied, in which case the acquisition and disposal shall be regarded as taking place when the condition is satisfied.

[31] In the instant case, the case stated shows that the SCIT fully appreciated the nature and terms of the approvals by the Securities Commission. Paragraph 8 of the case stated shows a clear appreciation of the contentions of both KHD and the KPHDN, and the relevant authorities at paragraph 9. At paragraph 10, the SCIT set out their reasons. The SCIT appreciated and took into consideration these essential facts:

- (a) two subject agreements are essentially conditional agreements;
- (b) the relevant authorities whose approvals were sought for and obtained were readily identified in both subject agreements between KPH and Mycom Berhad and to Olympia Industries Berhad: Bank Negara Malaysia, Bursa Malaysia, Foreign Investment Committee,

Ministry of International Trade and Industry and Security Commission;

- (c) requisite approvals from the other relevant government agencies, corporate approvals and Court Orders have been obtained in respect of the two subject agreements;
- (d) the listing of the new OIB and Mycom shares on Bursa Malaysia took place on 27/4/2007;
- (e) that the SCIT were acutely aware of the importance of examining and deciding whether the disposal of the subject lands by the Appellant to OIB and Mycom took place on 14/08/2000, the date the subject agreements were signed, or whether the disposal took place on 27/4/2007, that is, upon the share listings on Bursa Malaysia, that being the date when the last remaining condition under both conditional agreements was fulfilled.

[32] The findings of the SCIT were made upon a full appreciation of the facts. The findings of fact were not perverse to the evidence. There was no reason to interfere with its findings of fact. The SCIT addressed the correct questions of law. We find that the SCIT did not so err on its determination on the questions of law and its application to the facts to warrant intervention by the courts.

[33] Accordingly, we allow the appeal with costs, which we fix at RM10,000.00, set aside the decision of the High Court and restore the deciding order of the Special Commissioners of Income Tax made on 1/3/2013, and deposit be refunded.

Signed

(DATUK ABDUL WAHAB BIN PATAIL)
Judge
Court of Appeal of Malaysia
PUTRAJAYA
