Tabled during the previous Budget 2023, the “e-invoice” is an aspiration toward a digital Malaysia, strengthening the digital tax service administration and collection.

The implementation will be done in stages from June 2024, with the first being made mandatory for businesses with a yearly turnover of over RM100 million. The Inland Revenue Board of Malaysia (HASiL) will oversee this implementation with the Malaysian Digital Economy Corp (MDEC) to ensure an effective rollout.

Join us in this webinar to obtain more information and clarification from the representative of HASiL and MDEC on the ‘e-invoicing’ system and its implementation.
